# T-LEVELS

T Levels are two-year Level 3 courses, available for those aged 16-18 years old and are equivalent to three A Levels. Endorsed by businesses, they bring together college learning and industry placement with an employer to allow you to experience an industry while continuing your studies.

**20% Industry Placement**

**80% College Study**

## Apprenticeships

An Apprenticeship is a combination of on-the-job training in the workplace and classroom or workshop-based learning at college. You will gain relevant job-specific skills from your employer and be supported through a nationally recognised qualification by specialist college staff, all while earning a wage.

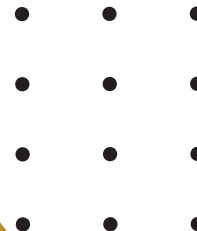

## University Level

Through our established academic partnership with University of Derby and additional Pearson HNCs, HNDs and HTQs, we are pleased to bring you a range of excellent, high quality courses up to Degree and PGCE Level locally.

In partnership with  
 **UNIVERSITY OF DERBY**

# STUDENT EXPERIENCE

Get ready for an amazing college experience where learning goes way beyond the classroom. Imagine diving into exciting projects and gaining real-life industry experience that makes your studies come alive. These hands-on opportunities will set you up for success in your future career. College is more than just classes; it's an adventure filled with discovery, growth and tons of fun!

**Boston Brilliance -  
Light Projection Festival**

**Motorsport -  
Boston College Racing Team**

**Live Performances at Iconic Venues**

# OPEN EVENTS

Explore our facilities, speak to industry expert lecturers, meet current students, find out all you need to know about the courses you are interested in and apply on the night. You can also talk to our Student Services Team for anything from impartial careers advice to financial support.
