SWITCH UP

BRILLIANT TODAY, BETTER TOMORROW

University Level 2026/27

ACHIEVE YOUR DEGREE AT BOSTON COLLEGE

Whether you're continuing your studies after college or sixth form, or returning to education as an adult learner seeking to advance in your current role or embark on a new career path, our University Level courses provide a direct and supportive route to achieving your ambitions.

In partnership with

Boston College is proud to be an academic partner with University of Derby. Through our established academic partnership with University of Derby, and additional Pearson HNCs, HNDs and HTQs, we are pleased to bring you a range of excellent, high quality courses up to Degree and PGCE Level locally.

Visit our website to find a full list of University Level courses, plus lots more information to inspire you in the next step of your education.

Financial Support

From assistance with student loans to childcare fee support, Boston College aims to give you the best advice and guidance on financial support available at the College, whatever your situation.

How to Apply & Enrol

Existing Student

Applying and enrolling for our courses is easy. If you are an existing Boston College student or only applying to study at Boston College, you can fast track your application by simply completing the online application form for your course, and our team will guide you through the process.

www.boston.ac.uk

New Student

If you are not an existing Boston College student or you are applying to multiple centres, please apply for your course through UCAS.

WHY CHOOSE HIGHER EDUCATION WITH BOSTON COLLEGE?

Excellent support

Our class sizes are small enough to ensure you receive support from our lecturers throughout your studies. Staff are approachable and accessible, and really take an interest in students' progression paths.

Career-focused qualifications

We will prepare you for your career in the workplace as you develop the skills employers are looking for.

Attend just two days a week

Attendance for your course will be no more than two days a week, before independent study, allowing you to fit your studies around work, a job in the industry or family commitments.

Fees lower than most universities

Plus, you can apply for a student loan to cover the costs of course fees. You may also be able to apply for various grants and loans to support your learning. Visit www.gov.uk/student-finance to discover more.

Save money living at home

Studying locally can substantially reduce your living costs such as rent and food, compared to moving away to university.

Celebrate your success at Graduation

Celebrate your amazing achievement with family and friends at our prestigious ceremony in Boston. Be proud to inspire others in your local community.

Study in style

Study in our Mayflower building and benefit from modern, high-spec facilities in a flagship, collaborative space where students, businesses, and the wider community come together to connect, create, and innovate.
